WHAT OTHERS SAY

"The roots arrived all right and was well pleased with their quality.
Thanks for the prompt service."

"I opened the box this morning and the roots are exceptionally big
and fine."

"Received the fine shipment of Irises, and believe me you have made
a friend for life."

"Your service and quality of your plants are always most satisfactory."

Dear Flower Lover:

VAN WERT, OHIO.

So many of our customers misplace their catalogs and are glad to receive a duplicate at this time, reminding them that iris planting is now at its height.

One of the joys of a Garden is adding new varieties each year, and if you have not placed your Iris order you should do so at once, for immediate delivery.

Peony shipping time begins in September which is only a few weeks away. Varieties wanted should be reserved now--not only for early shipment, but to guard against the variety being sold up, as so often happens when orders are sent late.

An sure you will be interested in the following special offers:
